# THE ANNUAL FUND 2019 - 2020

Tuition payments cover salaries, textbooks, and other essential operating expenses.

Annual Fund gifts allow us to go above and beyond by funding Strategic Plan initiatives, financial aid, classroom technology, library resources, and co-curricular programs.

They permit us to create a rich American-style educational experience for our students.

Donations of all amounts are appreciated. When grouped together, they generate enormous impact and enhance our programs.

A 100€ gift to the Annual Fund has a real cost of only 34€, as 66€ will come back to you as a tax credit.

*Everyone benefits and every gift matters.*
