

# ANNUAL FUND

2021-2022

Tuition covers essential operation expenses, such as salaries and textbooks.

Annual Fund gifts allow us to go above and beyond -

they fund Strategic Plan initiatives,

financial aid, classroom technology,

library resources, and co-curricular programs.

They also allow us to create a rich American-style educational experience for all of our students.

A 100€ gift to the Annual Fund has a real cost of only 34€, as 66€ will come back to you as a tax credit.

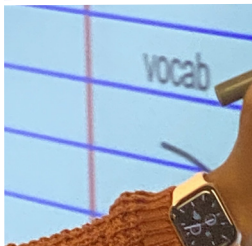

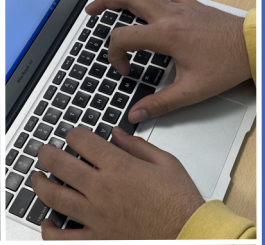

## **Donations of all amount are welcome.**

Grouped together, they have an enormous impact on a student's American Section education.
